Summary — Proactive and detail-focused **Java Full Stack Developer** with hands-on experience in building scalable web applications. Skilled in **Java, Spring Boot, React, MySQL** , and **MongoDB** with a passion for clean, efficient code and impactful user experiences.

Skills

- **Languages:** Java, JavaScript, React,Html,Css
- **Frameworks:** Spring boot,Redux Toolkit,React Router,Axios,Spring Security,Hibernate,Spring Data JPA
- **Software Architecture/Design:** MVC,Design Patterns, System Design, REST API Design
- **Performance Optimization:** Memory Management, Multi-threading
- **Tools:** Maven ,VS Code,MongoDB Atlas , Intellij idea,WebStrom,Postman

Experience

Kiran Academy   Jan 2025 - Present
Intern   *Pune, India*

- Worked on real-world Java full-stack applications using **React**, **Spring Boot**, and **MySQL**.
- Supported API development, database integration, and frontend responsiveness.
- Assisted in debugging, deployment, and optimizing application performance.
- Collaborated closely with mentors and peers to follow agile development practices.

InnoByte Services   Nov 2024 - Dec 2025
Intern   *Pune, India*

- Built and maintained scalable backend services using **Spring Boot** and **MongoDB**.
- Developed RESTful APIs and integrated them with frontend systems.
- Ensured clean code practices, unit testing, and API documentation using **Swagger**.
- Participated in team sprints, reviews, and code deployments in a fast-paced remote environment.

Personal Projects

Java IDE 🔗
- Developed a secure, browser-based Java IDE using **Spring Boot** and **React**.
  Enabled users to write, compile, and execute Java code with real-time output.
  Focused on clean UI, safe backend execution, and responsive user experience.

Weather App 🔗
- Built a responsive weather application using **React** that fetches real-time data from a public weather API.
  Integrated **location-based search** and manual city input to display current weather details.
  Focused on clean UI design, API handling, and error management for better user experience.

Education

Master of Computer Science   2013 - 2015
K.A.A.N.M College, Satana   *University of Pune,*
India

Bachelor of Computer Science   2021 - 2024
K.A.A.N.M College, Satana   *University of Pune,*
India

Certifications

– Full Stack Java Developer 🔗
